Looking for a high-quality, well-organised venue for CCEA GCSE PE orienteering assessments?

At Lorne Estate Outdoor Adventure Centre, students are in safe, professional hands. We have experience delivering orienteering sessions and understand exactly what's required to make assessments run smoothly and stress-free for teachers. Simply arrive (by bus, drop-off, or a 15 min walk from the train station) and we'll take care of everything.

Purpose-Built Orienteering Experience

Our 21-acre woodland site offers the perfect setting for real orienteering challenges, with varied terrain, paths, and natural features. **Designed with Orienteering NI expertise**, the course supports effective skill development and prepares students for assessment with confidence.

Our **Sport Ident Timing Kit** provides accurate timings and performance breakdowns - **ideal for final assessments/validation**.

Expert Instruction & Support

Sessions are led by experienced outdoor instructors who understand **GCSE PE requirements**. Students are guided through map reading, route planning, and navigation techniques, ensuring they feel confident, capable, and ready to perform for their assessment.

Excellent Facilities

Comfortable indoor space is available for lunch, reflection, group discussion, and shelter in poor weather - making it a well-rounded, all-weather experience.

Reward Their Effort

The GCSE months can be stressful for students - why not reward their hard work? Schools can enhance the visit by adding an extra adventure activity, such as our **thrilling zipline**, giving students a memorable and motivating end to their day.

Smooth, Stress-Free Delivery For Teachers

We know how to run these sessions efficiently and professionally, creating a calm, structured environment.
