We had a fantastic stay at Lorne House in August 2024. Our young people, all of whom are blind or visually impaired, felt extremely safe, welcomed, and well supported throughout our visit. The venue itself was lovely, and the staff were exceptional, attentive, understanding, and genuinely committed to making the experience enjoyable for everyone. Our young people absolutely loved their time there.

Angel Eyes NI

For the last two years we as a bible based youth camp have been staying at Lorne during early July. We have really enjoyed our time at Lorne and have made use of all the facilities at our disposal. The accommodation is excellent as are the staff and the activities on site are fantastic.

Dundonald Youth Camp

Each year, this visit stands out as a true highlight of the P7 calendar. The activities provided are exceptional, offering thrilling outdoor adventures. The trip represents excellent value for money. Beyond the fun, the residential fosters outstanding team-building skills. The children return with stronger bonds, greater confidence, and memories that last a lifetime. It is an enriching experience that combines learning, adventure, and personal growth in a safe and supportive environment.
